**Enrollment in DUO**

When you log into a website that is a part of our SSO (Pirate Port, O365, Blackboard....) You will see our standard login where you enter your network credentials.

You will then be directed to enroll in DUO for the first time and will need your cell phone with you.
The following screens will popup for general awareness of why we are using DUO. Please read them and click next.

Did you know?
97% of data breaches start by stealing your identity.

Next

What can you do?
The best way to protect your identity is with two-step verification using your phone or another device.

Next

Then the enrollment process will start. Please click the DUO Mobile and enter your phone number.

Select an option
You'll use this to log in with Duo. You can add another option later.

Duo Mobile Recommended
Get a notification or code on your device

Enter your phone number
You'll have the option to log in with Duo Mobile.

Country code Phone number
+1 509-555-5555

Example: "201-555-5555"

Add phone number

I have a tablet

Secured by Duo
You will be prompted to verify the number you entered and then asked to download the Duo Mobile app to your cell phone via the App Store or Google Play.

Once you have the app installed on your phone, click next. You will get a QR code to use for easy setup. Open the DUO Mobile app and click add, chose Use QR code and scan this QR code. It will let you know when it as been added.
You are now enrolled in DUO and can log into the Whitworth SSO

Setup completed!
You're ready to log in with Duo.

Verified DUO Push for SSO

When you log into a website that is a part of our SSO (Pirate Port, O365, Blackboard....) You will see our standard login where you enter your network credentials
If you are already enrolled in DUO (most staff and students are) you will get the following window and a notification sent to your cell phone in your DUO app where you will need to enter the 3-digit code:

**Browser**

![Duo Mobile screen showing a verification code](Image)

**Phone**

![Verification code on phone](Image)

If you do not use the DUO app, you can choose more options on the browser window and select the option that works for you:

- **Duo Push**
  Send to “Android” (---- 1694)

- **Duo Mobile passcode**
  Enter a code from the Duo Mobile app

- **Bypass code**
  Enter a code from your IT help desk
Once you have successfully entered in your code you will see the final window and then your SSO website.
